Sample Bio below. Make as dtailed as you'd like.

DogName is an owner turn-in due to his owners' finding that they did not have the time to devote to him.

DogName is around 2.5 to 3 years old, gets along well with other dogs and is fine with cats. He is a quick learner and has settled in well. DogName likes just hanging out in the house or playing outside.

This boy (well, neutered boy) craves attention since he didn't get very much from his former home and needs a family willing to devote time and attention to him.

DogName is on the the high end of being medium size (19" at the front shoulders) and obedience classes are recommended.
